

# NEW robotic-assisted joint replacement

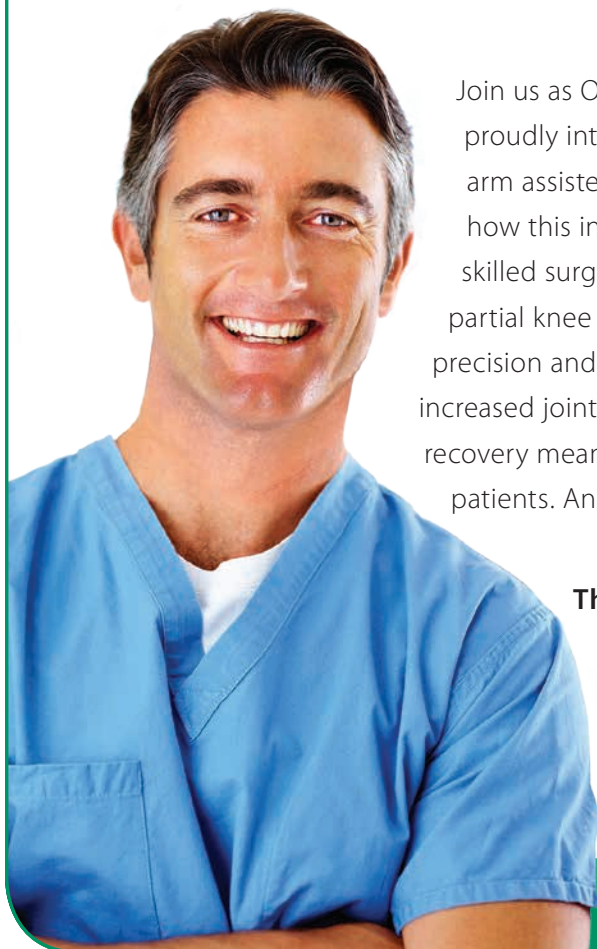

**precise. accurate.**

informational seminar

**Wednesday, June 22 from 5:30pm–7:00pm**  
**River Prairie Conference Room**

1000 OakLeaf Way, Altoona, WI 54720

come meet the newest member of our team

Join us as OakLeaf Surgical Hospital proudly introduces our MAKO™ Robotic-arm assisted surgery system. Come learn how this incredible technology allows our skilled surgeons to perform total hip and partial knee replacements with unparalleled precision and accuracy. Smaller incisions, increased joint function, and more rapid recovery mean a better experience for our patients. And that's what OakLeaf is all about.

**The seminar is free.** Please RSVP by calling **715.839.9833**  
or email [msimmons@oakleafsurgical.com](mailto:msimmons@oakleafsurgical.com).
